b. The assistance we provided for the "Fill the Fridge" event in August We were able to support Dr. Brown's "Fill the Fridge" idea for the teachers as they came back to school on August 25th to prep for the year. The sign up genius was a HUGE success! We had **71 parents** sign up to donate food and drinks for the event and several parents contributed multiple items. I worked with Donna Rollins, the new office manager, to distribute the food/drink in the six teacher work areas.
