

Panther PTSA Stress-Free fundraising We need you!

What is a Stress-free fundraiser? It is the PAMS PTSA's (Parent Teacher Student Association) popular fund drive in which families can make a one-time, "stress-free", monetary contribution in lieu of participating in other fundraisers throughout the school year. Because of the previous success of this program, the PTSA has not asked families to sell wrapping paper, candles or cookie dough. 100% of your donation goes to PAMS PTSA and is 100% tax deductible.

Princess Anne Middle School is fortunate to have many clubs and groups that have fundraising projects during the year to support their numerous activities, including statewide travel for competitions as well as helping to support the many philanthropic agencies in the area. Out of respect, we've always strived not to hold "selling-type" fundraisers.

PTSA funds come from mainly a few sources: membership, community partners, and the annual Stress-free fundraiser. However, it has become increasingly difficult for these sources to fully underwrite all the services we support/provide. From providing grants to teachers enhancing their classroom experiences, to purchasing food for the school food pantry and even improving the school's outward appearance, the PTSA's scope of contributions knows no end.

It is our desire to focus on the smallest number of fundraisers necessary to reach our annual budget, which is always available upon request. This is a **one-time fundraising** opportunity! We kindly ask you to consider contributing at least \$20 in honor of your PAMS student, but please give as much as you are able. This school year, each and every PAMS student will have had an experience in which they will have felt the touch of your donation. ***Thank you so much for contributing to your PTSA!***

Please make your check payable to PAMS PTSA.

Donations can be placed by your student into the PTA Dropbox at school or mailed to:

**PAMS PTSA
